

End User License Agreement for MGEED Database

This user agreement applies to the Multimodal Genuine Emotion and Expression Detection (MGEED) database, created and maintained by the Visual Computing Group in the School of Creative and Technologies at the University of Portsmouth. To obtain a copy of the database, please complete the following agreement and return it to Prof. Hui Yu, hui.yu@glasgow.ac.uk. Once the signed agreement is received and approved, you will receive instructions to download the database.

The recipient of this database must be a full-time faculty researcher or employee of an organization (not a student). By signing this agreement, you agree:

- Not to use the database for any commercial purposes. Commercial purposes include, but are not limited to:
 - proving the efficiency of commercial systems
 - testing commercial systems
 - using screenshots of subjects from the database in advertisements
 - selling or providing any portion of the database to other parties
- To cite the following publication in any paper of yours or your collaborators that makes any use of the database:
 - Y. Wang, H. Yu, W. Gao, Y. Xia, C. Nduka. MGEED: A multimodal genuine emotion and expression detection database. *IEEE Transactions on Affective Computing*. 2023
- In any publications, print, electronic, or other media, to use images from only the following subjects and to include notice of copyright (©Hui Yu):
